

Dr. A. N. Berke Dies

Many residents of Antioch were saddened by the death of Dr. A. N. Berke who passed away last Friday following a four year illness. Dr. Berke had served the Antioch Community for over 30 years, having begun his practice here in 1939 some two years following his graduation from Chicago Medical School.

Born in Hungary, Dr. Berke was only ten years old when his family came to the United States. His high school and under graduate years were spent in Pennsylvania, but he made Illinois his home from the time he began the study of medicine in Chicago.

Dr. Berke was extremely active in local, state and national medical circles. He held membership in the Illinois Medical Society, Lake County Medical Society, and the American Society of General Practitioner. He also served as Secretary of the board of trustees of Chicago Medical School for 15 years and was very influential in guiding several young people into medical practice. Included among these were his two sons, James and Jerry. Dr. James Berke

has a medical practice in Lisle, Illinois and Dr. Jerry Berke has just begun his internship in Boston, Mass.

Dr. Berke was a member of the staff of Victory Memorial Hospital, St. Therese Hospital and Zion-Benton Hospital. During his last years he had been in charge of the Zion-Benton Hospital out-patient department.

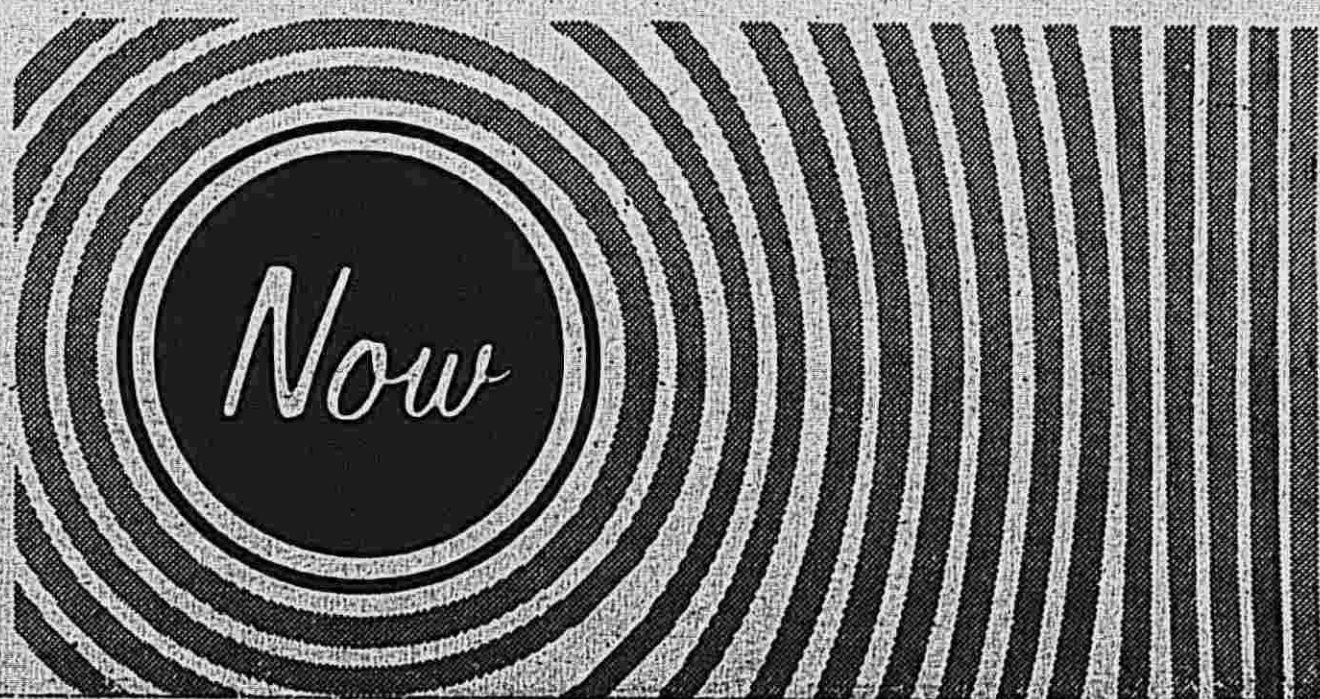

Because of Dr. Berke's intense interest in the field of medicine and in Chicago Medical School, friends are encouraged to send memorials in Dr. Berke's name to the Chicago Medical School, Chicago, Illinois.

One Liner

I'd rather be a failure than the man who's never tried.

Those attending the groundbreaking ceremony are l to r: Mr. Irv. Carey, Mr. Ralph Fredericks, Mr. J. Palmer, Mr. Verne Barnstable, Mr. Frank Benes, Mr. Martin Samuels and Mayor Ray Toft holding the shovel, Mr Richey Graham, Mr. R. Vos, Mr & Mrs. W. Delaney, Mr. Robert Johnson and Mr. A. Schroeder.

Million Dollar Apartments

Ground breaking ceremonies were held on Friday, August 13 for the New Triton 2nd Street Development.

Mr. Richey V. Graham Jr. of the First Savings of La Grange Park has begun a one million three hundred thousand dollar apartment development on North Main Street.

The development will consist of six units with 12 apartments in each unit.

The first three units should be under roof by the first of November of this year with the entire project completed by June 1, 1972.

Fine Art Students Go To Camp

Last Sunday nearly 100 students and instructors jumped onto an auto caravan and began the trek to Lake Bloomington for the 12th annual Summer Music Camp sponsored by the Fine Arts Department of Antioch Community High School. The caravan included three busses of enthusiastic band and choir members, a luggage bus and a truck and trailer.

Under the direction of Ralph Brooke, vocal instructor and chairman of the Fine Arts Department, the summer camp program provides those students enrolled in high school music programs with an intensive introduction to band and choir; an introduction equivalent in time to an entire six week program during the regular school year.

The summer camp staff, headed by Ralph Brooke, will include Mr. Lee Gustafson, newly appointed band direc-

tor for the high school who will direct the band program and hold clinics in high brass and percussion. Al Murphy, a graduate of ACHS, will be vocal assistant to Mr. Brooke and also serve as boys' counselor. Other members of the camp staff are Sally Deadrick, girls' counselor, Charlene Johnson, clinician (reeds), Joe Gill, clinician (low brass), and Paul Schroeder, clinician (flute and double reeds).

The week of intensive study will be climaxed on Friday, August 20 with a trip to the University of Illinois for a tour through the new assembly hall and the new Krannert Center of the Performing Arts. That evening the band and choir will perform at the U.S.O. in Rantoul and, following their performance, return to Antioch.

It promises to be a hectic, exciting and memorable week for the Antioch music students.

THE VILLAGE & THE LAW

Monday night's meeting of the Antioch Village Board appeared to be a routine meeting: the proper minutes, the proper reports, the proper bills approved and properly paid. Parking permits were signed and firemen were allowed to go to a convention, some resurfacing was allowed other resurfacing was denied. All very routine.

And then came the question of the parade and the routine threatened to become a rout.

Mayor Ray Toft brought out the point that there was a technical question regarding the legality of the "Midnight Madness Parade" sponsored by the Chamber of Commerce. He pointed out that if the village board was going to "stick right to the letter of the law then you aren't going to have anything going on in Antioch."

The mayor's statement was in reference to the problems created by the Country Fair sponsored by St. Peter's Church which had several booths shut down the previous week end for alleged gambling. He stated that the "village board has been harassed more during the past week than in the past 11 years." The mayor continued that if "one or two members of the board demand that we stick to the letter of the law then we must go all the way." It was pointed out that if this is the way things are to be done then many of the activities of the Lion's Club, the Rescue Squad, the Fire Department and other organizations will have to be curtailed.

The question of the legality of the parade stems from the fact that a parade cannot be held on a state highway without a state permit - and no state permit has been applied for. Rather, the "Midnight Madness" parade will be

provided with a police escort. But, it was pointed out, if the letter of the law is to be followed then the parade is in trouble.

Village board member George Bartlett ended the discussion by stating that there were times when common sense should enter the picture and the board should stick by its original decision to allow the parade to take place with a police escort.

Mayor Toft offered a public apology to Mike Haley who had innocently borne the brunt of the problem at St. Peter's. Mike had not been in charge of the fair but had simply been in charge of one of the booths at the time the police first arrived on the scene. Mayor Toft stated that the Haley family was one of the "nicest families in Antioch," and apologized for any embarrassment which may have occurred.

In other business the board approved the application of Mr. and Mrs. Bernard Cutowski to attend the State Firemen's Convention. The board also accepted the report of the zoning board to allow a change from single family dwelling to multiple family dwelling for a parcel of land in William's Bros. Subdivision on Poplar Street.

A recommendation that the seven man planning commission be changed to a 10 member board was turned over to the village attorney, Mr. Ed. Jacobs, for action.

The publication of the village's new "dog and cat" ordinance was awarded to Gaston Printing at a cost of \$110 for 500 pamphlets.

Permission was granted to Quaker Industries to surround their property with a protective fence. The problem of entrance to the factory grounds for emergency purposes was turned over to

Grass Lake Students Register Aug. 31

The staff of Grass Lake School will meet on Monday, August 30, 1971 in order to prepare for the coming 1971-72 school year. The main emphasis of the meeting will be centered around implementing the reading program in grades K-6. Mr. Ronald Gasser, consultant, will address the faculty on the program.

Supt. W. Hart announced that Mr. Robert Pacetti, a graduate of Parson College, will be teaching Physical Education for the coming year and Mrs. Mary Ann Skopek will be the school librarian. These two positions complete the staff since all other personnel are returning for the 1971-72 school year, reported Mr. Hart.

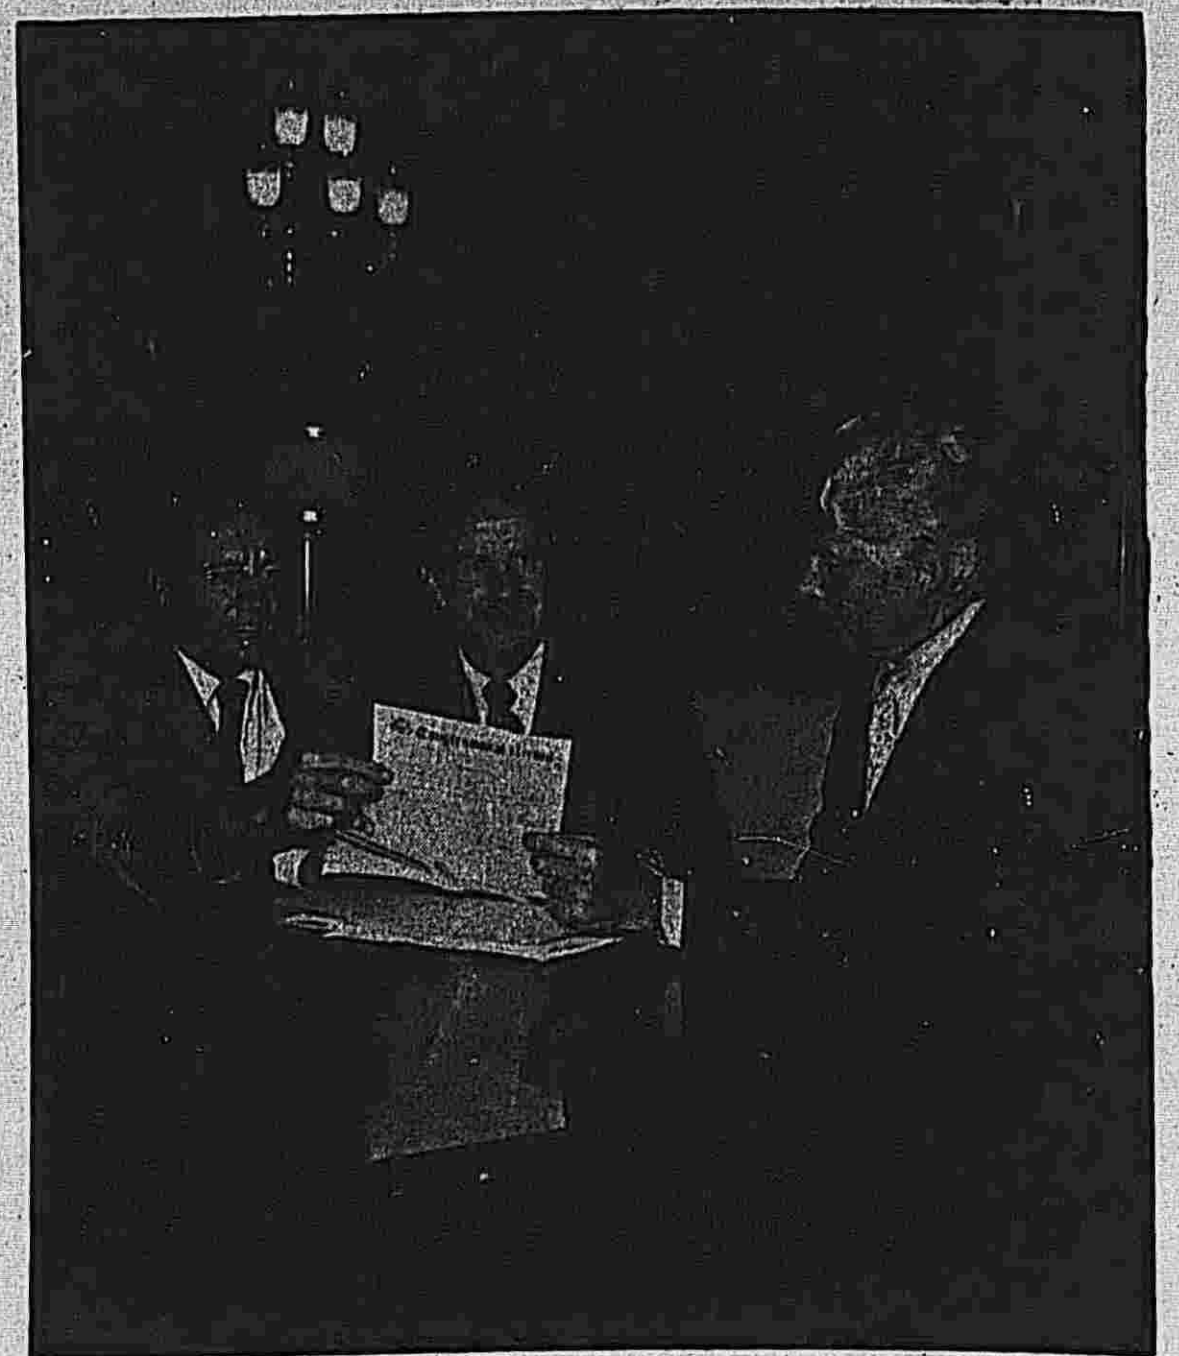

Parents with students new to District 36 should register their children any week day between 8 a.m. to 2 p.m. at the school office.

Registration for all students will be held on Tuesday, August 31, 1971 in the school gym from 8:30 a.m. to 11 a.m.

Registration fees are \$9.00 per student in grades 1-8 and families having 4 or more children in school will pay \$6.00 per child. Kindergarten fees will be \$7.50 per child. Voluntary student insurance is available at a cost of \$2.75 per child.

Supt. Hart reminds parents that all Kindergarten, all new first graders to the district, and all 5th graders must have a physical and dental examination before entering school. Physical and dental forms are available at the school if any parent did not receive them through the mail.

The school buses will begin their runs at 8:15 a.m. and begin returning children at 9:15 a.m. on registration day. Parents may bring their children, register them, and take them home if they prefer.

Planning "Preview of '72" dinner meeting, scheduled for Swedish Glee Club on Friday evening, August 20th, are (left to right) Congressman Tom Railsback of Rock Island; Congressman Robert McClory, in whose honor the meeting is being arranged; and Congressman John Anderson of Rockford, who is also chairman of the Republican Conference.

These U.S. Representatives and Congressman Bob Michel of Peoria will participate in a panel discussion of 1972 political and legislative issues entitled "Preview of '72".

"PREVIEW OF '72" ON AUGUST 20

A panel of congressional leaders will honor Congressman Robert McClory at a "Preview of '72" dinner meeting at the Swedish Glee Club, Waukegan, Friday evening, August 20th.

Featured panelists will include Congressman John Anderson of Rockford, chairman of the Republican Conference of the U. S. House of Representatives and member of the House Rules Committee; Congressman Robert Michel of Peoria, a ranking Republican on the House Appropriations

Committee and a Republican Whip; and Congressman Tom Railsback of Rock Island, member of the House Judiciary Committee and of the Republican Task Force on Agriculture. Also participating will be the guest of honor, Congressman McClory, member of the House Judiciary Committee and of the Special Task Force on Drug Abuse.

The panelists will each discuss aspects of the congressional session and will outline major political and legislative issues around which the 1972 campaigns will be conducted. The panelists will entertain questions and comments from the audience of McClory supporters with a "no holds barred" rule to restrain the questioners. The Swedish Glee Club affair will be preceded by a press conference.

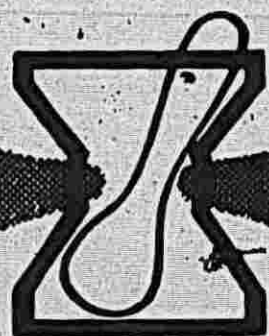

The chairman of the Dinner Committee is Peter J. Nordigian of Waukegan. Mr. William E. Brook and Mr. Edmund F. Vos both of Antioch are among the members of the Committee.

Further information and tickets for the August 20th affair may be secured from Peter Nordigian, 33 North County Street, Waukegan, telephone: 623-0112.

TEACHER WORKSHOP

AUG. 31

The Elementary Grade Schools located in the Antioch Community and the Antioch Community High School have planned a cooperative Teacher Workshop for Tuesday, August 31.

Teachers and administrators from Antioch Grade School District 34, Eminons Grade School, St. Peter's Grade School, Grass Lake Grade School, Lake Villa Grade School District 41 and the Antioch Community High School will report to the High School Auditorium for a general session from 9:00-10:30 a.m.

Mr. Marvin English, Dean of the Graduate School, National College of Education, Evanston, will be the featured speaker. He will discuss the provocative topic "Combating Emotional Pollution."

Following the morning general session, the teachers and administrators will report to their respective buildings for continued orientation and discussion of matters pertaining to the opening of their particular school.

The August 31 Cooperative Workshop is a first for the Antioch Community and is the outgrowth of a series of articulation meetings conducted last year by the administrators from the grade schools and high schools.

AGS CLASSES BEGIN SEPT. 1

Registrations for Antioch Elementary School District 34 should be taken care of on either Tuesday, August 24 or Wednesday, August 25th.

The hours on the 24th are 9 a.m. to 12 p.m. and 1 p.m. to 3 p.m. On the 25th the hours are 12 p.m. to 3 p.m. and 6 p.m. to 9 p.m.

Changes in the lunch fees are as follows: hot lunch: students - \$.35, milk - \$.03 per carton. The Free Lunch Policy remains the same as last year. Application blanks will be given to parents at the time of registration.

The first day of attendance

for the pupils of the Antioch Elementary Schools will be Wednesday, September 1. Buses will run at the scheduled times in the morning and will make the return before noon on the first day.

There will be no kindergarten transportation on Sept. 1. Parents of both the morning and afternoon groups may bring their kindergartner to meet the teacher and get acquainted with the room during the morning session.

Physical and dental examinations are required for all kindergarten, 5th grade and new students.

EDITORIAL

Our Village Board saw fit to pass one of its more lengthy and thorough ordinances of the year at the Village Board meeting last Monday.

The ordinance I refer to is the very complete ordinance concerning dogs, cats and domestic animals.

Now it took about two month's time for the Board committee headed by Mrs. Marge Nelson, a lot of work for our village attorney Ed Jacobs, and I might add, quite a lot of money to ready this ordinance. It will cost the village about \$110.00 to have 500 copies printed in pamphlet form.

Why all the time and money was spent to develop and pass this ordinance is very difficult to understand. Now if we did not have State, County or Local laws controlling domestic animals, I could see the need. It might be true that the present ordinances are not ideal, however, they were doing a fair job, and they could be enforced to the extent that they are needed. It's true that they did not cover cats, but I fail to see the need.

The new ordinance covers everything needed and more. It will be just about impossible to carry out to the letter of the law. After reading the ordinance over a number of times, I feel it will be next to impossible to administer the ordinance and to enforce it unless the village can put a number of men on the payroll to handle this ordinance AND THIS ORDINANCE ALONE.

With the many major problems that our Village Board faces with our ever growing and expanding community, I feel that the time, effort and money could and should have been spent on more important and pressing matters than on a "dog, cat, and other domestic animals" ordinance.

The Village and The Law

(Cont'd from page 1)

the Police and Fire Committee to work out with the company.

Six building permits were issued to H&B Developers for new homes in Oakwood Knoll. Applications for Jory Builders were withheld pending some minor corrections on existing homes. The board continued to deny building permits to Charbrooke Builders, Ltd.

A resolution from the Lake County Municipal League requesting the support of the Antioch Village Board for a plan to convert the Nike site at Lake Zurich to a rehabilitation center for delinquent boys age 12-18 was not acted upon. The board requested that a representative of the group come before the board with more information before a decision is made.

Re-Apportionment

There are two elements of the Illinois legislative re-apportionment which I find quite disturbing.

First, there is the notion that the voters are captives and pawns, to be moved around for party advantage and which can be counted on to be permanently owned by the Republicans or Democrats. The notion that wholesale numbers of voters can be ordered to march over a cliff if the party bosses direct it implies a contempt for individuals which I find shocking. The re-election of Cullerton, Powell et al over the years indicates that the Democrats can enforce this ownership in the City, but it is not a pleasant captivity to contemplate.

Secondly, I believe that the legislative branch should be an important partner in the self-governing process, and the Chicago organization has continually regarded the legislators as puppets in a sort of obedience training school. In the city council, state legislature and national Congress the Chicago legislators are really running for judgeships or state officers; and they serve a sentence in the legislature simply to help the boss decide which are the poodles and which are the Dalmatians. It sickens me to see the machine grind up these fine young men. But the greatest evil is that in an obedience school creation is stifled, independence is purposely destroyed and the real decisions are made by the executive bureaucracy behind closed doors.

The legislature should be the people's branch, the forum for new ideas, the problem-solving area. It is becoming a rubber stamp and all self-government will suffer if the trend is not halted.

Illinois recently achieved a third place ranking among state legislatures on the basis of its potential for effectiveness. The many reforms which led to this

ranking are being replaced by power politics, which serves the ambitions of men rather than the needs of people. It is frightening to observe that no one seems to care.

Robert Coulson
State Senator
31st District

Antioch High School is fortunate in having many very fine teachers on its staff!

I do think, however, that teachers should be rated on their teaching abilities, rather than receiving pay increases strictly on the number of degrees they have, and the number of years they have been teaching.

A person can be a "Straight A" college graduate with many degrees, but this doesn't necessarily mean that he will be a good teacher. He can be temperamentally unfit, and have no ability in relating to young people, and have no teaching ability. Yet he can command a higher salary than a dedicated teacher with lesser educational qualifications, who has the knack of interesting his students and doing a wonderful job of teaching.

Also--as they get older--teachers, like everyone else, have personality and health changes that sometimes detract from their abilities rather than make them better teachers. Many young married teachers need higher salaries more than the older ones who are nearing retirement--and higher salary for teaching results would provide a better incentive for improved teaching.

Outgoing graduating classes could rate the teachers in a meaningful manner--taking into consideration that a small percentage of the graduating

No Gambling

I agree with Mrs. Marge Nelson for the stand she took on the gambling story that appeared in your paper.

When the police are made to look ridiculous so are the village administrators. And the question still isn't answered, why did they open again after the police left? The American Legion didn't open theirs after they were shut down. What's fair for one is fair for all.

Ruth Cunningham
Antioch, Illinois.

students would not give an honest evaluation. Special testing by impartial parties--and perhaps having the students themselves give frank opinions on the teachers, would all help in improving the quality of education.

It might also be a good idea to have one or two of the school board members be on salary, visit class rooms daily, talk to teachers and students, and better understand the problems of the school, the teachers and the students.

Parents can call a school board member if they feel that a teacher may be inadequate, only to be told that nothing can be done unless more people make similar complaints. Teens tend to be secretive about many phases of school life and most parents are not aware of their school problems--so inadequate teachers have no problem coasting along and collecting top salaries.

A teacher's ability to interest, motivate and teach are very important, and I think the tax payers should demand that teachers be rated on performance, rather than of service and education alone.

Salem Twp. Board Meeting

The creation of a second utility district was the main topic of discussion during the August 12 regular meeting of the Salem Town Board.

The board passed a resolution approving a hearing date of September 9 at 7:30 p.m. in the Town Hall in Salem to determine the necessity of creating a new district and the determination of exact boundaries.

\$7500 was requested to help establish a Salem Rescue Squad. After some discussion over the advisability of the Rescue Squad becoming part of the fire department the idea was dropped as being impractical at this time. The request for the \$7500 was approved.

Another discussion centered on the fire department. The need for a remapping of the fire department districts was brought up, but no action was taken.

The need for the Salem Town Board and the Salem Consolidated Grade School Board of Education to work cooperatively in seeking solutions to the enrollment problems at the school was discussed.

In the only other action, the board approved the bartenders license applications for Helen Wetherbee, Charlotte Haase, and Marilyn Johnson; and authorized three special beer permits to the Rock Lake Highland Assoc., the Center Lake Weeds Assoc., and the Trevor Volunteer Fire Department.

Mediator Arrives

The mediation process between the Antioch Community High School Board of Education and the Education Association will take on a new complexion with the arrival of the federal mediator. The first meeting involving the three parties will be held on August 23 with a second session scheduled for August 25. Both the board and the teachers' group are hopeful that these meetings will succeed in resolving the differences which have existed over the past few months.

MADNESS is...

August 23, 1971 — MIDNIGHT MADNESS — August 23, 1971.

No! No! That's not it. It doesn't make sense. It's really way out. You're mad! Midnight is too late.

It starts long before midnight. The madness, the disorder, the excitement, the insanity, the wildness, the confusion, the mad eve of Monday begins long before Midnight. Before the clock strikes twelve (12), before the coach turns into a pumpkin, before the owls hoot, the cat meows, and the cricket chirps, the mad, mad, madness of Antioch invades the streets. The madness begins in an orderly way with "Madness on Parade" scheduled at 7:30 p.m. from the High School to the Aqua Center.

Some of the Paraders are formal and in uniform and the bands play on. (Three to be exact). The Scouts and the 4-Hers are on parade. Sputtering trail bikes are on review, doing their thing and shiny cars transport the dignitaries of Antioch. All of the paraders carry out the theme of the eve—"Madness on Parade."

As the parade trails toward the Aqua Center, the main event of the evening begins.

"THE SALE IS ON!"

The crickets chirp their chirp; the owls hoot their hoot; the cat meows; the clock strikes 11:30. The Mad P.J. Contestants gather for the final contest of the night.

The clock strikes 12-Midnight-and the mouse runs down again. Tues.-August 24, 1971....

Some fifteen years ago four men (hence the name Quadriel) began to develop a small shop on Grass Lake Road into one of the most progressively modern specialty machine shops of its kind in the area.

Quadriel, Inc. has been developed by owner Irv Pedersen, who has been with the operation from the start, into a very modern machine shop which specializes in doing fine, precision work. The company can boast of such clientele as Outboard Marine, the William Wrigley Co., Continental Can Corp., Allis Chalmers, and some large government contracts.

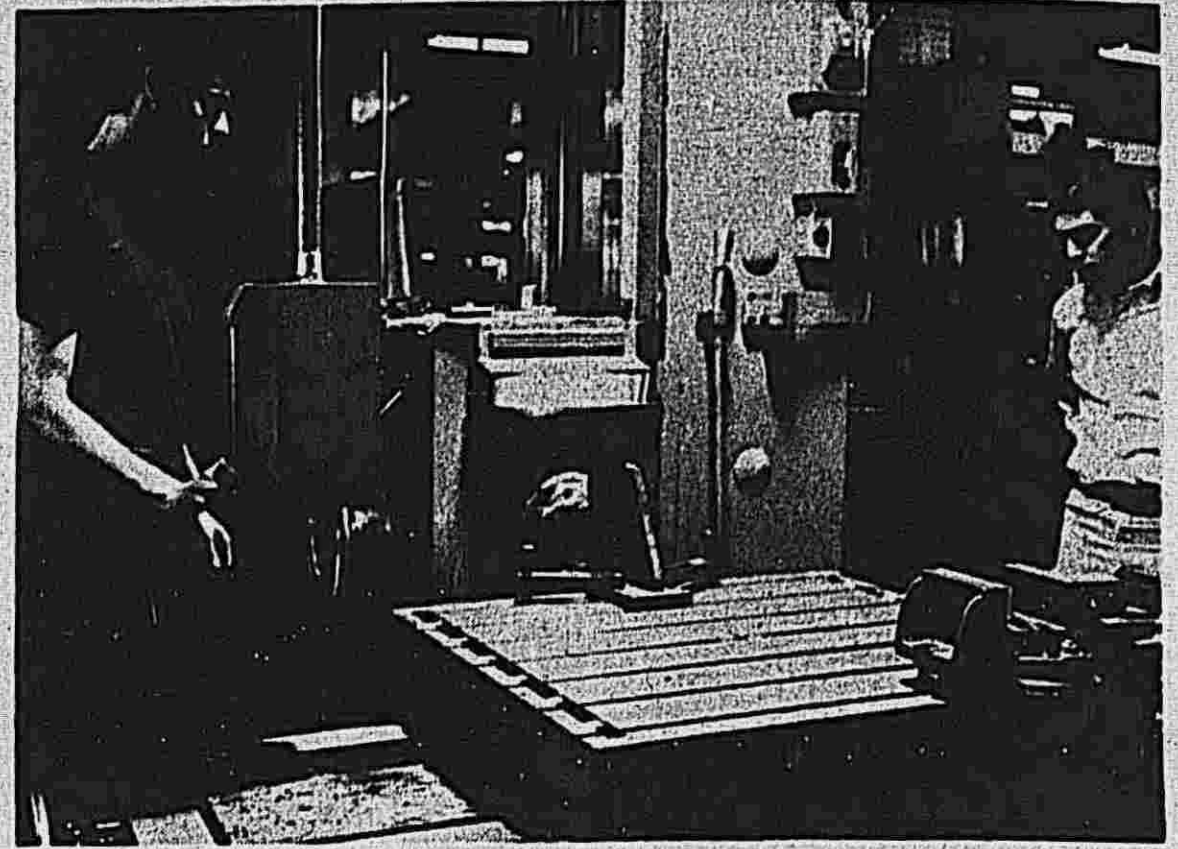

Randy Bussone, general manager of Quadriel for the past three years, states that the company does very little original design work, but prefers to specialize in carrying out the extremely precise production work which their various customers bring to them. This ability to do extra fine and precise work has become their trademark in the field, so much so that not too long ago they were called upon to manufacture an intricate part for packaging machines installed in the many various plants of the William Wrigley Co. located all over the world.

The level of craftsmanship of the machinists working at Quadriel is very high and very versatile. In fact, when a customer brings a job to the plant it is generally given to one machinist who takes the job through from beginning to end, handling all the various machines and procedures necessary to do the complete job.

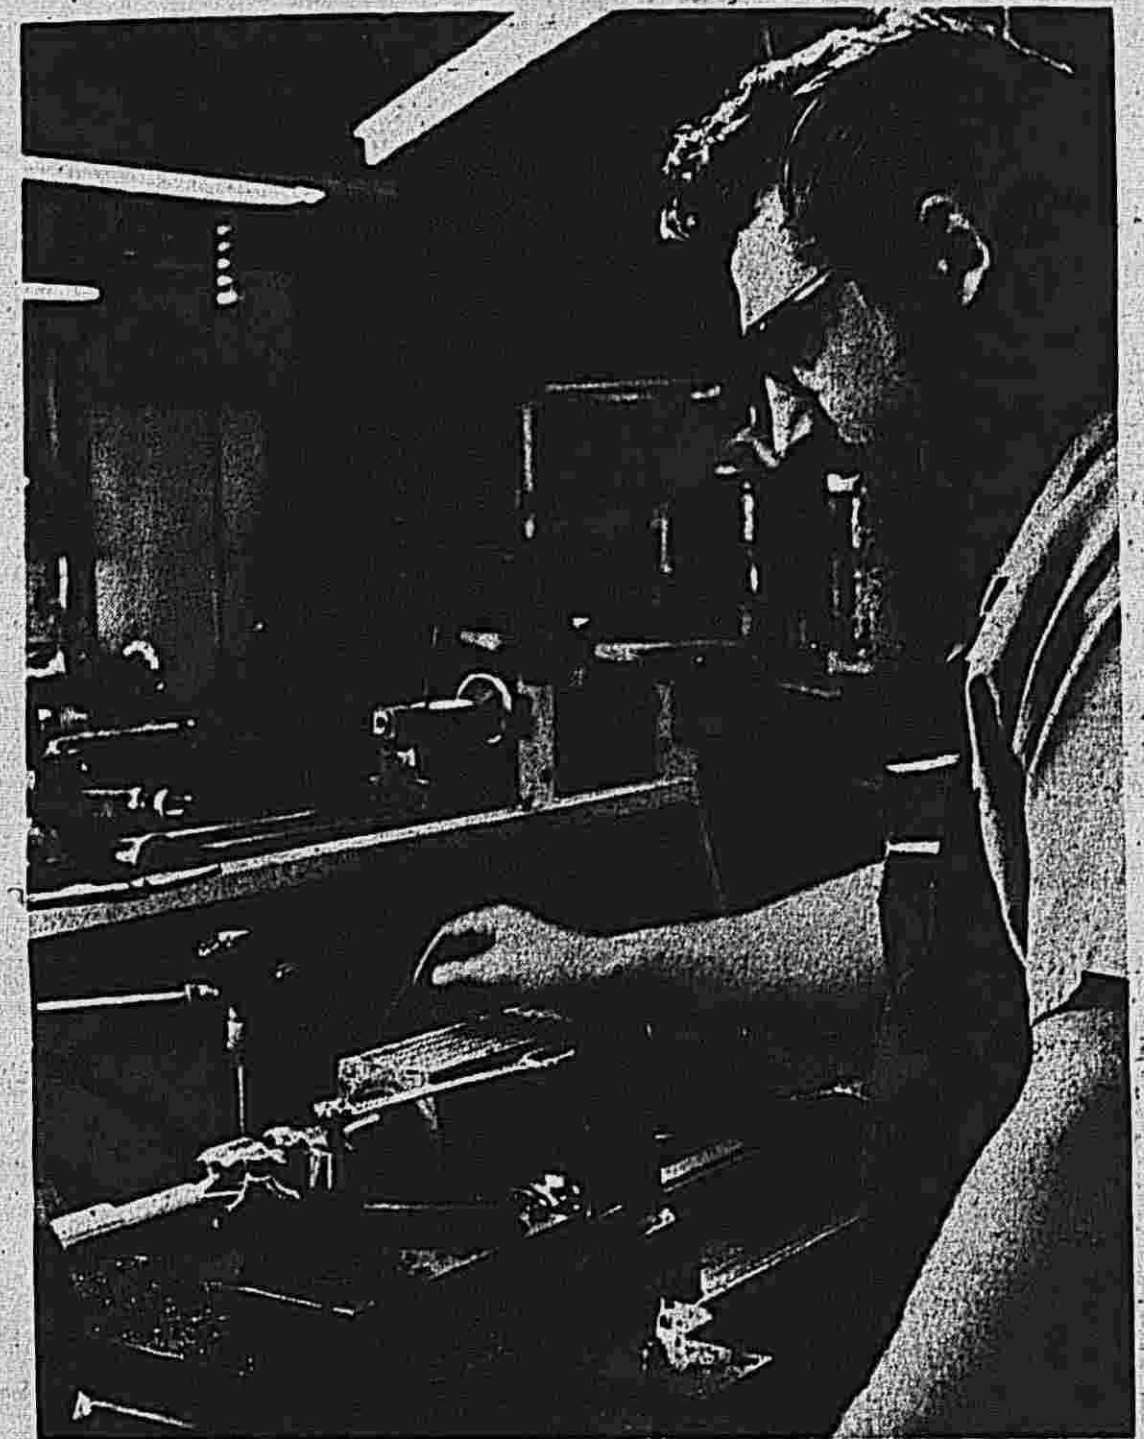

In Quadriel's continued search for the utmost in quality they have found a successful program which benefits both the employee and the corporation. For the last few years Quadriel has been working with young men from the high school in the Industrial Cooperation Education Program. This has not only allowed young men to receive outstanding training but, as Mr. Bussone put it, "it allows Quadriel to train prospective machinists in their ways and to school them at the high quality level that is required at Quadriel."

Quadriel normally employs an average of 22 to 24 people, most of whom live in the Antioch area.

Quadriel inc.

A very large and special horizontal boring mill being operated by John Modt. Randy Bussone, General Manager, looks as the operation begins.

Jim Maricle of Quadriel doing a turning operation for a special job for one of Quadriel's clients.

Security Toll

Free Service

Many of the Antioch residents are not taking advantage of the Waukegan Social Security office's "Toll Free" telephone service, Allen Joy stated this week.

"Persons wishing to ask questions or file claims by telephone are stuck paying sizeable tolls by using regular facilities rather than the office's special toll free number," he said.

He explained that by dialing the operator and asking for Enterprise 4505, the operator will connect the caller with the Waukegan office without charge.

This week's recipe is called **CHERRY DESSERT** but is delicious with blueberries or other fruit in place of the cherries. This recipe comes from **BETTY SMOUSE**.

CHERRY DESSERT

Blend and press in 9 x 13 pan:

20 graham crackers $\frac{1}{4}$ cup powdered sugar
1 stick margarine melted

Mix together:

3 oz. Cream cheese 1 c. drained crushed pineapple
 $\frac{1}{2}$ cup powdered sugar 1 teaspoon vanilla
1 cup marshmallows

Whip 1 package of dream whip and fold in cheese mixture. Pour over crumb base and top with 2 cans of cherry pie filling or any flavor pie filling. Chill several hours or over night.

Kevin Eddy as Hansel and Lori Burns as Gretel are shown in a scene from PM&L's current children's production **HANSEL AND GRETEL** now performing at the PM&L Theatre on Main Street. The play will perform two more times, Saturday, Aug. 21 at 7:30 p.m. and Sunday, Aug. 22 at 2 P.M.

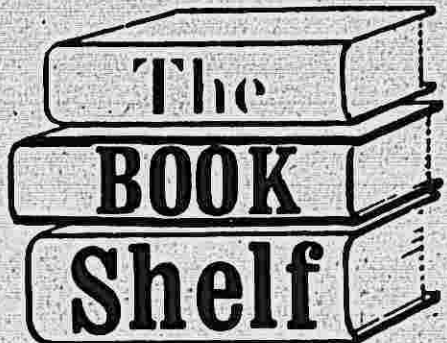

New Deductions

Jeffrey Dale Curneal is a new member of the Marvin Curneal family of Antioch. Born on August 3 at 9:45 a.m., Jeffrey weighed in at 5 lbs. 15 oz. and measured 19 $\frac{1}{2}$ ".

Parents of the new baby are Marvin and Rebecca Curneal. Grandparents are Mrs. Shirley Anderson of Waukegan and Mr. and Mrs. Marvin Curneal of Antioch.

With the arrival of Scott Allen, Diane and Patrick Wiese are now the proud parents of two little boys. Patrick, Jr. is 1 $\frac{1}{2}$ yrs. old. Weighing in at 9 lbs. 2 oz. and 22 $\frac{1}{4}$ " long, Scott was born 4:26 p.m. on August 5 at Victory Memorial Hospital.

Proud grandparents are Mrs. Helen Seidelmann of Antioch and Mr. and Mrs. Raymond Wiese of Columbus, Nebraska.

With school beginning again, the problem of where to study after school starts all over. If it's a little too hectic at home, try the Antioch Township Library where it's always quiet. Our library offers study carrels and the perfect study atmosphere.

New books at the Antioch Township Library include:

ECOLOGY: the circle of life by Harold R. Hungerford. Different cultures and environs are explored with the end in mind of developing an ecological ethic to conserve nature and all living things in a healthy climate.

ASK ME A QUESTION ABOUT ROCKETS, SATELLITES AND SPACE STATIONS by Sam Rosenfeld. What keeps a satellite from falling to earth? How can a rocket move through millions of miles of space without burning fuel? The author provides answers to these and many other questions.

BARBECUE: the fine art of charcoal and gas outdoor cooking edited by Carol D. Brent.

Henderson; the Reverend Lawrence Hanley; Trustees Edward Vos and Robert Berg; general contractor Herbert Ruesch; plumbing contractor David Buck of Loon Lake and electrical contractor Irving Carey.

Save Bottles for Glass - Mobile

The Glass-Mobile is coming to Antioch.

Residents of the area are urged to begin saving their used bottles and jars for a glass collection drive sponsored by Students for Environmental Awareness to be held from Saturday, Sept. 4 through Monday, Sept. 6 at Orchard Plaza between the hours of 8 a.m. and 9 p.m.

The Glass-Mobile, made available by the Glass Container Manufacturers Institute, is a portable collection unit holding up to 12 tons of waste glass. Non-returnable glass containers of all kinds may be deposited directly into the Glass-Mobile.

At the end of the drive, the unit will transport the glass to the nearest glass container

manufacturing factory to be recycled into new glass. Students for Environmental Awareness will be paid \$20 a ton by the glass company for the glass collected.

Persons wishing to contribute glass during the drive are asked to remember the following:

--only used glass containers are being collected. Windows, mirrors, windshields, tableware, returnable bottles, etc. cannot be accepted.

--all containers must be separated according to color, be reasonably clean and contain no bottle caps or metal rings

--labels need not be removed, but donors must carry back plastic and paper cartons.

Along the Way with *Annie Mae*

Bicycling is quite the thing this season. . . CHRISTINE MOSER rode her bicycle from her home in Chicago to visit her folks MR. and MRS. FRANK MOSER in Antioch. She made it here in 4 hours and back to Chi in 3½ - all in one day!

TOM & CATHY HALEY and family just returned from a vacation in Michigan where they have a cabin. Also visiting with them was Tom's brother Clem, and FATHER EUGENE KEUSAL from St. Peter's here in Antioch. Father was quite proud of the fish he caught. . .

The CHARLES MAPLETHORPE family just returned from 3½ weeks vacation. They went out to Montana, Wyoming and Colorado visiting Tod's mother and having a wonderful time. . . FRANK AND LUCILLE KEUCHENMEISTER took a four-day cruise up the Mississippi River. No fishing, just relaxing and sight-seeing.

FREYA AND SHORTY MOSER hosted a party for over 70 of their friends and relatives. A crazy 16" baseball game was held. The day started out looking like rain, but it turned out to be perfect. . .

JEAN HOMAN can't get used to hearing that alarm clock again now that she's back from her two week vacation! She and RUSS swam, golfed and slept late relaxing in a cabin about 35 miles north of the Dells. . .

Lots of moms are getting a little vacation this week as the High School Band and Choir left Sunday for a week at camp in Bloomington. . . Part of the excitement for the KEN SMOUSE FAMILY on their vacation to Hudsonville, Michigan was swimming in the waves on Lake Michigan bet-

ween tornados! The Smouses went up to visit Betty's parents and spent some time in Grand Rapids, Saugatuk and Holland Michigan. . .

Don't forget to save your wrappers for the Ball Park Franks, as the deadline is August 25. Drop them at the First National or State Bank. . . Little League thanks you. . .

HAPPY BIRTHDAY to JOAN TOFT and EMILY BENES on August 19 and to "DUTCH" ZELEN and his grandson SCOTTY ZELEN both on August 23. Also to Les Zitkus and, again on Garys Drive, to JULIE CUNNINGHAM, GUS COSTOFF, and JIMMY JONES. . .

GET WELL to Lee Brooke who is in St. Therese Hospital. Cards are sure to be appreciated. Also, Get Well to Bob Barth.

THE ANTIOCH FIRE DEPT. sent three teams of water-fighters to the Kenosha County Fair at Wilmet on Sunday. The number three team, led by "retired" FRANK KUECHENMEISTER, took home a third place trophy. The Silver Lake Team took first and Wilmet second, same as they did here in Antioch last Sunday. Be careful, Frank, that number one team will be wanting you back!!

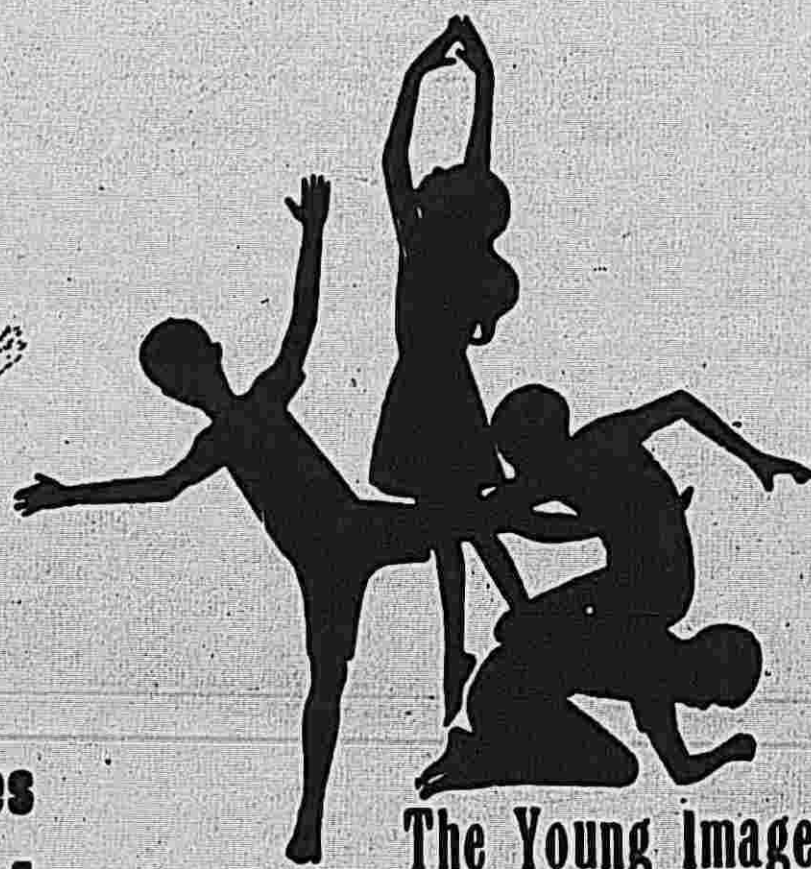

Have you been to the library lately and seen the lovely landscaping in the rear of the building? Should be no more problems when it rains too hard. . .

Take the kids to see "Hansel and Gretel" at PM&L this weekend and then get your PJ's for "Midnight Madness"!!

Annie Mae

"Countryside Hospital will pull together now or it will fall apart," said Rev. H. C. Zerbe, Executive Director of Countryside Hospital, Inc., the organization charged with establishing a hospital facility in Northwest Lake County. "Here, after all these years, Countryside Hospital can become a reality. Why fight it now?"

For 13 years civic minded residents of this corner of Lake County have been fighting beaurocracy, apathy and ignorance in order to bring improved and much needed hospital facilities to this area. Now, the greatest hurdle of all has been cleared, the "green light" has been given by Franklin D. Yoder, M.D., Director, Illinois Department of Public Health, for the holding of a special referendum to establish a hospital district. Of possibly equal importance, Countryside Hospital, Inc., has received tax exemption status from the Internal Revenue Service. "After all this work it would appear that the whole project may collapse for lack of funds," commented Rev. Zerbe.

In a recent memo to the Board of Trustees and Officers of Countryside Hospital Rev. Zerbe noted, "While we are all jubilant over the success of our united efforts, I must inform you immediately that for financial reasons we cannot proceed with our hospital and referendum efforts." The memo further states, "We must immediately have \$2,000 per month or a sum total of approximately \$12,000 to promote a successful referendum."

Apathy, and in some cases open resentment, against the project seemed to center on the location of the new hospital. In order to secure the approval of the Illinois Department of Public Health, the 25 acre site in Avon Township was the only feasible choice. Of all the land offerings for the hospital, only the site at the intersection of Rollins Road and Cedar Lake Road could guarantee all the requirements for space, water, electricity, gas and sewer demanded by the State of Illinois before final approval could be granted.

Two other points in favor of the new location were listed by Rev. Zerbe in a letter to area physicians:

(a) "The new hospital site is now in the direct center of the northwest Lake County Populace.

(b) With the widening of Highway 83 into four lanes no community is more than ten minutes from the proposed hospital."

The 10-year development program includes plans for 300 acute care beds and 150 extended care beds. Tentative plans also call for the developers to incorporate a 100-bed nursing home facility as soon as possible following the completion of the acute care facility.

Persons desiring further information on Countryside Hospital may telephone 566-0140.

Women of the Moose

The Star Recorder Chapter night was called to order by Senior Regent Judy Page, who introduced the committee chairman Pat Wagner.

As there was no enrollment, the chapter proceeded with the Chapter night program. Star Recorder Pat Wagner introduced Jerri Polson, Una Fox, May Palmer, and Vivian Clark. They each gave an interesting report on Chapter procedure and the duties of Star Recorder. The committee then presented the Senior Regent with a check for the Star Recorder Scholarship Fund.

Co-workers Carol Boston and Marie Rauscher received their Chapter Pins for attending three consecutive meetings.

The next meeting will be on August 19.

SO-CI'E-TY

n.: pl.-TIES. (L. societas fr. socius a companion; cf. F. societe. See SOCIAL.) the relationship of men associated in any way to one another; companionship; fellowship; connection; participation.

ROTARY APPOINTS COMMITTEES

The director of Vocational Service of the Rotary Club of Antioch, Walter Daniels, has appointed three chairman for the following committees:

Jack Heick - Employer-Employee Relations

Owen Duffy - Four Way Test

Gene Zanninni - Occupational Information

Program for the August 19 meeting of the Rotary will be by Irv. Pedersen.

The Antioch Rotary Club spent the day at Wrigley Field on Sunday, August 12. The members were taken by bus to and from Wrigley Field and thoroughly enjoyed a beautiful day of baseball. More trips of this nature are planned for the future.

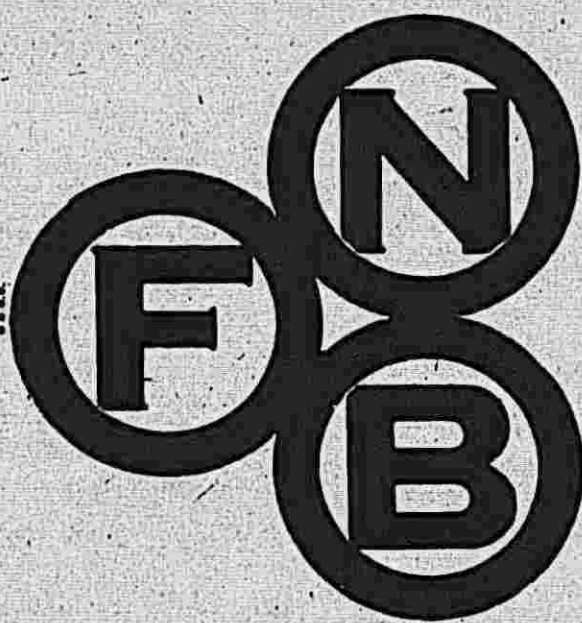

FAIR SALE FALL FESTIVAL

At the regular meeting of the Sequoit Auxiliary V.F.W. a discussion of the Fall Festival Fair Sale took place. The committee will announce the place and date at next month's meeting.

Invitations will be going out for the Auxiliary's 25th anniversary dinner. The membership chairman reported that 1972 dues are now payable and that the dues cards have been received.

A hospital pledge of \$46.25 was made in addition to a donation to Downey for canteen books.

The social hour was a surprise birthday party for Florence Morin.

PEDERSEN-HAYS

On August 6 Cynthia Pedersen, daughter of Mr. and Mrs. Robert Pedersen of Antioch became the bride of Stephen L. Hays, son of Mr. and Mrs. Alvin D. Hays of Emerson, Iowa.

Cynthia was given away by her father in a double ring ceremony at St. Peter's Church. Reverend Alfred Henderson officiated.

The bride's gown was of Chantilly lace with full sleeves, and a round neck. She wore a mantilla attached to a Chantilly lace headpiece trimmed with pearl beading.

Mrs. John Bonner was her sister's Matron of Honor and Leslie Hays, brother of the groom, was Best Man.

Lloyd Pedersen, cousin of

the bride and lead vocalist for the Wayne King Orchestra, sang at the 6:30 p.m. service.

Cynthia is an Antioch High School graduate. She attended Creighton University and is affiliated with Tri Sigma Sorority. Mr. Hays is a graduate of Red Oak Community High School and Creighton University and is affiliated with Delta Sigma Pi and Beta Alpha Si. He is presently a 2nd Lt. with the U.S. Army.

A reception was held at Bristol Oaks Country Club. After a honeymoon to Estes Park, Colorado, the couple will be living in El Paso, Texas.

Mrs. Veconi | Speaks at Garden Club

Mrs. Gene Veconi, creator of apple dolls, will present the program at the Antioch Garden Club meeting on August 23. Hostesses will be Mrs. Victor Nelson, Lester Kresanek and Mrs. James Shinkunas.

State Fair time is upon us with all of the cotton candy, rides and excitement that goes with it! Closer than our own Illinois State Fair is the Wisconsin State Fair in Milwaukee. They offer big name groups and entertainers in addition to all the rides and exhibits - now 'til August 22.

Talking to college kids this week, I found quite a few changing schools this fall. DENIS PLEVIAK will be down at the University of Illinois working in pre-med. Denis spent two years at Lewis College in Lockport. For the summer Denis works hard at Dalgaard's Certified in Lake Villa.

With hopes of becoming a fashion designer, DIANE COSTOFF transfers to Columbia College in Missouri this fall. Having finished two years at Robert Morse Junior College, Diane was graduated in June. Diane's been doing lots of visiting college friends and traveling this vacation, highlighted by a trip to Nassau with her folks earlier this summer.

LINDA WALPOLE will enter St. Procopius College this fall as a sophomore transfer student from Marquette University. Linda was in nursing but she'll be a biology major at St. Procopius. To make money this summer Linda's working at the Savings and Loan.

After attending Illinois Wesleyan for two years JANE BICEK leaves September 15 to attend Illinois State University at Normal. Jane is a sociology major and she's doing factory

NADER-O'BRIEN

work at Midwest Coil in Grayslake this summer. Jane hopes to finish college early and graduate from ISU next August.

After being discharged on June 4 with 21 months in the Marine Corps behind him, TOM LASCO was enrolled at the College of Lake County this summer. Working toward a possible degree in law, Tom will continue at CLC this fall. Tom has a job with Bonnie Brook golf course in Waukegan this summer.

STERBENZ ENROLLS AT DUBUQUE

Jeffrey Sterbenz of R.R. 2 Box 454, Antioch has been accepted to enroll at the College of Liberal Arts of the University of Dubuque this fall.

The University of Dubuque, located in Dubuque, Iowa, is composed of a College of Liberal Arts, with an enrollment of over 1000, and a graduate Theological Seminary. UD is related to the United Presbyterian Church of the U.S.A.

St. John The Baptist Roman Catholic Church in Johnsbury was the setting for the August 18 wedding of Penny Jo Nader and Mr. Richard S. O'Brien. The bride is the daughter of Mr. and Mrs. Joseph Nader, Jr. of Lake Villa. Mr. O'Brien is the son of Mr. and Mrs. Ward O'Brien of McHenry.

Father Leo J. Bartel officiated at the 11 a.m. service. Matron of Honor was Mrs. Glenn Crellin (nee Melonnie Jensen) and Michael Frost acted as Best Man.

The bride wore an Ivory A-line empire style gown accented by applique of peau d'anje lace. Her headpiece was an ivory mantilla attached to a camelot headdress of lace matching her gown.

Penny Jo is an Antioch High School graduate and Richard was graduated from Grant High School.

A reception was held at Sabatini's in Ingleside. After a honeymoon trip to Atlanta, Georgia and Los Angeles, California, the O'Briens will reside in McHenry.

American Legion Auxiliary News

The 10th District American Legion, Department of Illinois, will be holding their Installation of Officers on Friday, August 20 at 8 p.m. at the Wauconda American Legion Home.

Roy Lundsten of Wauconda will be the new 10th District Commander; with William Franzen of Libertyville, District Senior Vice Commander; William Schultz, north Chicago, District Junior Vice Commander; Rene Jackson, North Chicago, District Adjutant; LeRoy Mintz, Highland Park, District Finance Officer; Harold Blackwell, Lake Zurich, District Service Officer; George Robbins, Zion, District Chaplain; Robert Maxwell, Mundelein, District Judge Advocate; William Dowden of Antioch, North Shore Line Legion; Edward Jahneke of Antioch, Gurnee Legion; District Sergeant-at-Arms; and George Flugler, Vernon, District Junior Past Commander.

The Installing Officer will be John Mould of Wauconda, State Field Representative of the Illinois American Legion.

Among the many honors to be conferred that evening will be the two small baseball trophies to the east and west division winners of the 10th District Legion Baseball Tournament. The larger Bernard Sheehy Trophy goes to the 10th District baseball tournament winner.

The American Legion Post with the best year round participation in all phases of Legion programs - American

ism, Children and Youth, Community Service, etc., will receive the Woodrow Fisher trophy. There is also the John Casperson Plaque which will be presented to the Legion Post with the best record in rehabilitation work. The two trophies commemorate Bernard Sheehy, Highland Park; and Woodrow Fisher, Deerfield, past District Commanders; and the plaque is in memory of John Casperson of Lake Forest, a past 2nd division commander.

Membership awards will be presented to 100% membership Legion Posts.

All legionnaires, Auxiliary members and guests are invited to attend.

The Antioch American Legion Auxiliary 748 will be holding their past president's parley pot luck supper on Labor Day, September 6 at the Antioch American Legion Home, at 6:30 p.m. with Mrs. John W. Horan, President, conducting the meeting.

At their previous meeting the members had decided to donate a book to the Antioch Township Library in honor of all the past presidents of Antioch Unit. Usually, the past presidents have received personal gifts.

Mrs. Lorraine Katwell was welcomed into the Auxiliary as a new member. Membership chairman Mrs. Lester Zitkus reminds the members that now

is the time to start paying their dues.

A report of the state convention was given by Mrs. Ray Rathmann, delegate. In concluding her report she thanked the Unit for voting her as one of their two representatives.

Honored guests were Kathy Walpole, Girl Stater, and her mother Mrs. Fred Walpole. After Mrs. Joseph Horton, Illini Girl's State Chairman, introduced Miss Walpole to the audience "Kathy" gave a dynamic account of her week's activities while at Girl's State. "Bubbling over with enthusiasm", Kathy related how she campaigned for the office of State Auditor of Public Accounts but unfortunately was defeated in her efforts. However, she did receive a Girls' State charm bracelet for having the highest grades in a test regarding city, county and state government in her "city", comprised of some 20 girls. She spoke of their visit to Springfield and seeing the old state capitol and state museum, among other official buildings. Seeing the beautiful Ree's Memorial with its pool, sparkling fountains and lovely rose gardens will not easily be forgotten.

Kathy was very impressed with the candlelight ceremony held outdoors on MacMurray College campus their last evening. Summing it up, she said that attending Illini Girls' State was a most worthwhile experience, and she will long cherish the memory of her time there and the many new friendships she has gained.

Co-hostesses for the September 6 party meeting will be Mrs. Ray Rathmann and

Mrs. John W. Horan, plus committee members Mrs. Chester Golonka and Mrs. Edna Rathmann.

On August 7 rehabilitation chairman Mrs. Ray Rathmann and Mrs. J.W. Horan attended the 10th District's Past Presidents' Parley Picnic, held at the Pavilion on the Downey Hospital grounds for some 200 patients. The Antioch Unit's contribution to this picnic were hot dishes to serve 50 patients. All 22 Units in Lake County took part in this picnic.

SOCIAL NOTES by Del Jahneke

Mrs. Joseph Rhymer and Mrs. Eleanor Micheli, both Antioch residents, drove to Naperville, Illinois to see their cousin Robert Yopp who has returned home from a hospital stay. They dined at the Swedish Smorgasbord Restaurant in Naperville, and thoroughly enjoyed the drive, dinner and their visit.

Those Model "A"s of John W. Horan and his son Ralph have been "hitting the highways and by-ways" these last two Sundays. On August 8, the J.W. Horans and the John L. Horans celebrated John L.'s birthday at the Mukwonago County Park in Wisconsin where the Milwaukee Chapter of Model "A"s Association held a picnic. Dorothy Horan won third prize in a contest identifying the parts of a Model A. Incidentally, "Many

Happy Returns", to John L.! The following Sunday both Horan Model "A"s participated in a parade at the Kenosha County Fair held in Wilmot, Wisconsin.

Beautiful Lake Koshkonong in Wisconsin was the scenic background for the Ray Rathmann's, Oakwood Knolls; and the Herbert McCloskys of Palatine; as they spent this last Sunday weekend just swimming, sunbathing and water skiing at this delightful spot.

Miss Sandra Cox of Madison, Wisconsin, sister of Mrs. Jerry Shatley, North Main Street, Antioch stayed several days at the Shatley home, enroute to her vacation in Florida. It gave the sisters many carefree hours to exchange family news, etc.

A very wonderful surprise was in store for Mrs. John Handschiegel, Grass Lake Road, when she and Mrs. Robert Dunlap, Jr. attended a "Treasure Hunt" Pearl Party held at the home of Mrs. Dennis Huhn on August 11. A demonstrator illustrated the composition of cultured pearls and told of the differences in synthetic and natural pearls. The ladies present then selected their oysters. When this happened, Jean Handschiegel found herself the lucky recipient of a 9 1/2 millimeter pearl, perfectly shaped and a lovely soft cream color. As a general rule, cultured pearls do not exceed 12 mm. Congratulations, Jean, how about doing some "Pearl-Diving" for the rest of us ladies?

Obituaries

DR. ADOLPH N. BERKE—60 yrs. old of 2300 Elizabeth, Zion, Ill. passed away on Friday August 13th. at Zion-Benton Hospital after a 4 yr. illness. He was born on January 4, 1911 in Essen, Hungary and came to the United States in 1921 to reside in McKeesport, Pennsylvania where he graduated from High School at the age of 17, then graduated from the University of Pittsburgh at the age of 20, and graduated from the Chicago Medical School in 1937. He practiced medicine at Antioch from 1939 until 1970 with the exception of from 1942 until 1946 which was spent in the U.S. Army where he retired as a major. He had taken special courses in Hypnosis, Obstetrics, and Gynecology. He married Tess Goldstein on Sept. 30, 1938 at Cleveland, Ohio.

Survivors are his wife Tess—1 daughter Mrs. Sharon (Dr. Norman) Simon (Rochester, Minn.)—2 sons Dr. James Berke (Lisle, Ill.)—Dr. Jerry Berke (serving his internship at Boston, Mass.)—1 brother Dr. Bernard Berke (Waukegan)—1 sister Mrs. Helen Klion (New York City, N.Y.)—& 3 grandchildren.

Funeral services were set for 3:00 p.m. Sunday at Temple Am Echod on Sunset Road in Waukegan. Rabbi Myron Movsky of Temple Am Echod officiated, with interment in Temple Am Echod cemetery in Waukegan. Memorials may be made to the Chicago Medical School, Chicago, Ill. in lieu of flowers. For further information call Strang Funeral Home in Antioch, Ill. The family will receive friends on Monday, Tuesday & Wednesday at 2300 Elizabeth Ave. in Zion, Ill. (Residence phone 746-3606)

MRS. CAROLINE KORNOSKI—72 yrs. old of Salem Twp, Wis. passed away Tuesday August 10th. from a heart attack at her home at 121st Street and 219th Avenue in Lake Shangri La Subdivision near Antioch. She was born Sept. 23, 1898 in Chicago, Ill. then moved to Carnegie, Pennsylvania for 1½ yrs., back to Chicago and then to Lake Shangri La Subdivision permanently in 1953, but had spent her summers here since 1949. She had been Treasurer of the Lake Shangri La Woodland Ladies Club. Caroline Kopeck married Walter F. Kornoski on August 8, 1917 in Chicago and he preceeded her in death on October 1963.

Survivors are 1 daughter Mrs. Carole (Michael) Molinaro (Antioch)—1 sister Mrs. Ann Walendy (Chicago)—a half brother Louis Kopeck (Chicago)—3 grandchildren & 5 great grandchildren.

Funeral services were held at 11 a.m. Friday at the Strang Funeral Home in Antioch. Rev. Donald Cobb of the United Methodist Church officiated with interment in Memorial Park Cemetery at Skokie, Ill.

MR. WILLIAM F. TECHERT—84 yrs. old formerly of 6414-24th. Avenue—Kenosha, Wis. passed away Friday August 13th at Brookside Home in Kenosha. He was born Oct. 23, 1886 in Kenosha, Wis. and had resided in Antioch, then moved to Chicago, and back to Kenosha in 1942. He had worked many years as a carpenter, and later worked at American Brass in Kenosha and retired 20 yrs. ago. He was preceeded in death by his wife Leota (nee Haynes) Techert on June 14, 1941—1 brother August Techert—2 sisters Mrs. Flora Rindflesch—Mrs. Anna Flemming.

Survivors are 2 sons William M. Techert (Kenosha)—Charles H. Techert (Springfield, Mo.)—1 brother Fred Techert (Antioch)—3 sisters Mrs. Marie Bruns (Kenosha, Wis.)—Mrs. Martha Willems (Kenosha)—

Mrs. Alvina Willett (Antioch)—8 grandchildren—& 3 great grandchildren.

Funeral services were held at 11 a.m. Monday at the Strang Funeral Home in Antioch. Rev. Donald Cobb of the Antioch United Methodist Church officiated with interment in Hillside Cemetery at Antioch.

MRS. SARAH D. KRIEBEL—78 yrs. old of Channel Lake, near Antioch, Ill. passed away Tuesday August 10th at Rolling Hills Manor Nursing Home at Zion, Ill. She was born October 5th, 1892 in New York City, New York, moved to Los Angeles, Calif. in 1911—Chicago, Ill. in 1916—Winnetka, Ill. in 1918—and resided in Antioch and Chicago since that time. She had spent her summers in Antioch and her winters for the past 10 yrs. in Pompano Beach, Florida. She retired in 1968 as personnel manager for the Inland Trading Company in Chicago where she had been employed since 1942. Her husband, Fred L. Kriebel was the founder and subdivider of "Woodcrest Subdivision" at Channel Lake which was started in the early 1920's. She married Fred L. Kriebel on Dec. 6, 1911 at New York City, N.Y. and he preceeded her in death on Oct. 21, 1931.

Survivors are 2 sons Fred L. Kriebel Jr. (Glen View, Ill.)—C. Richard Kriebel (Western Springs, Ill.)—3 daughters Mrs. Sally (Alan) Gifford (Antioch, Ill.)—Mrs. Esther (Kaare) Helberg (Norwalk, Conn.)—Mrs. Mary Lou (Dr. Wiley H.) Harrison (Winnetka, Ill.)—1 sister Mrs. Julia Schultz (Chagrin Falls, Ohio)—13 grandchildren & 8 great grandchildren.

Private funeral services will be held at the convenience of the family. Please omit flowers. Friends desiring may make contributions to the Antioch Rescue Squad.

CHRISTIAN SCIENCE CHURCHES

Man's right to insight and wisdom will be brought out Sunday at Christian Science church services.

"If any of you lack wisdom, let him ask of God, that giveth to all men liberally, and upbraideth not; and it shall be given him." This Bible promise will open the Responsive Reading. "Mind" is the subject of the Lesson-Sermon.

From SCIENCE AND HEALTH WITH KEY TO THE SCRIPTURES by Mary Baker Eddy this citation will be among those read: "A knowledge of the Science of being develops the latent abilities and possibilities of man. It extends the atmosphere of thought, giving mortals access to broader and higher realms. It raises the thinker into his native air of insight and perspicacity."

First Church of Christ, Scientist, Beacon Hill, Rt. 173 & Harden, Antioch, Ill. holds services at 11 a.m. All are welcome.

CAN YOU BE HEALED?

BY JUST

READING A BOOK?

Listen this Sunday to the Christian Science Radio Series for some interesting insights on this question.

WEDNESDAY, AUGUST 18, 1971

The "Now Look" was modeled by Betty Waite at the Salad Bar Luncheon sponsored by St. Peter's. The Hot Pants were allegedly designed by Ann Embers, and were selected as the hottest number in the show.

No fashion show is complete without a bridal outfit, and St. Peter's "Fractured Fashions" was no exception. The "Now Bride of 1971" appeared to feature mobility as well as beauty. For obvious reasons the bridal model preferred to remain anonymous.

Kathy O'Connor models a "Don the Beachcomber's" style at St. Peter's Church "Fractured Fashions" Show. Notice the "Fern" green mini-skirt complimented by a "plunging" neckline.

Fractured Fashions

Hilarity seemed to be the keynote of the Salad Bar Luncheon sponsored by the Alter and Rosary Society of St. Peter's Church. The event, held last Saturday August 11, was highlighted by "one of the most unusual" fashion shows ever seen in the area," re-

marked one of the guests.

"Fractured Fashions" displayed the newest creations of such outstanding dress designers as Frank Porterhouse, Donna Karpel, Ima Bagg and P. Anna Tuner, among others.

The models were truly stunning as they showed the gowns

pressed a desire to remain anonymous. Music during the show was provided by Babe Wagner.

The annual event was directed by Ruth Reband, Lois Dowell and Dorothy Purfeerst. Mrs. Purfeerst was in charge of the design of most of the creat-

to their best advantage. However, most of the models ex-lions. Shirley Gutowski served as Mistress of Ceremonies.

Proceeds from the Salad Bar Luncheon went to the general support of St. Peter's Elementary School.

REGISTRATION AT CLC

"Part-time students planning to enroll in all or some courses offered in the CLC campus must register on the campus according to the posted schedule and should not register at the Waukegan or Lake Zurich centers," cautioned Mr. Moeller.

Moeller indicated "that part-time students who wish to enroll in courses offered at the college campus, Grayslake, and whose last names begin with A through G, should report to the college Learning Resource Center, Building 2, between the hours of 6 and 9 p.m. on Wednesday, August 25. Students whose last name begins with H through O should report Thursday evening, August 26, and students whose last name begins with P through Z, on Friday evening, August 27.

Part-time students planning to enroll only in college courses offered in Waukegan should register at the West Campus, Waukegan High School, 2325, Brookside Avenue, Waukegan, between the hours of 6 and 9 p.m. on Monday, August 23, for students whose last names begin with A through L, and Tuesday, August 24 for students whose last names begin with M through Z.

Part-time students planning to enroll only in college courses offered in Lake Zurich should register between 6 and 9 p.m. at Lake Zurich High School any evening, Monday, August 23 through Thursday, August 26.

Wilmot Holds Annual Harvest Sale

(WILMOT, WIS.) Wilmot's annual Harvest Sale will take place on Sunday, August 22 (rain date August 29). In the last couple of years, the revival of the old-time custom in the 19th century village has attracted thousands of people who have enjoyed the simple pleasures of a more leisurely era... wandering among the wares specially priced for the event from the many shops, rummage from the attics of the more than 100-year old houses, eating fresh corn, home made bratwurst and drinking beer in the back lots of the picturesque buildings.

In the past years Wilmot has become a real attraction for those with nostalgia for the quieter life our ancestors knew in the little rural market towns of the last century. Wilmot has six antique shops that specialize in a variety of yesteryear artifacts as well as fine collectibles in glassware, china and furniture.

Wilmot is a town that time passed by... preserving an unique heritage of old commercial and residential buildings that have been carefully restored and furnished

with rare fixtures and furnishings from the time of the community's commercial glory late in the 19th century.

The Harvest Sale has taken the fancy of all of Wilmot. Residents dig through attics, barns (yes, there are still a lot of barns with Wilmot houses) basements to find those dusty treasures many antique fanciers love... and at bargain prices.

Last year spaces along commercial locations were rented to antique dealers and others who wanted to sell their own things. Between antiques, paintings, food stuffs and lots of indescribables, the streets were lined with novice merchants... and some very experienced antique dealers. The response was so good that spaces were snapped up generally a year ago. The rentals benefit the Old Wilmot Village Association, a very informal group of merchants and other civic leaders who want to see Wilmot continue in its present path.

Sally Hawkins from Antioch will be at one of the booths this year. Stop in and say hi to her all you Antioch people.

Antioch's Revenue Sharing

SPRINGFIELD, ILL., Aug. 6—Gov. Richard B. Ogilvie today announced that the July distribution to counties and municipalities under Illinois income tax revenue sharing amounted to \$8,234,351.

The total for the fiscal year ending June 30 was \$77,949,906.01.

The governor said \$1,313,556.59 of the July distribution went to county governments on the basis of the population in their unincorporated areas and \$6,920,794.90 went to cities and villages on the basis of the population of the incorporated communities.

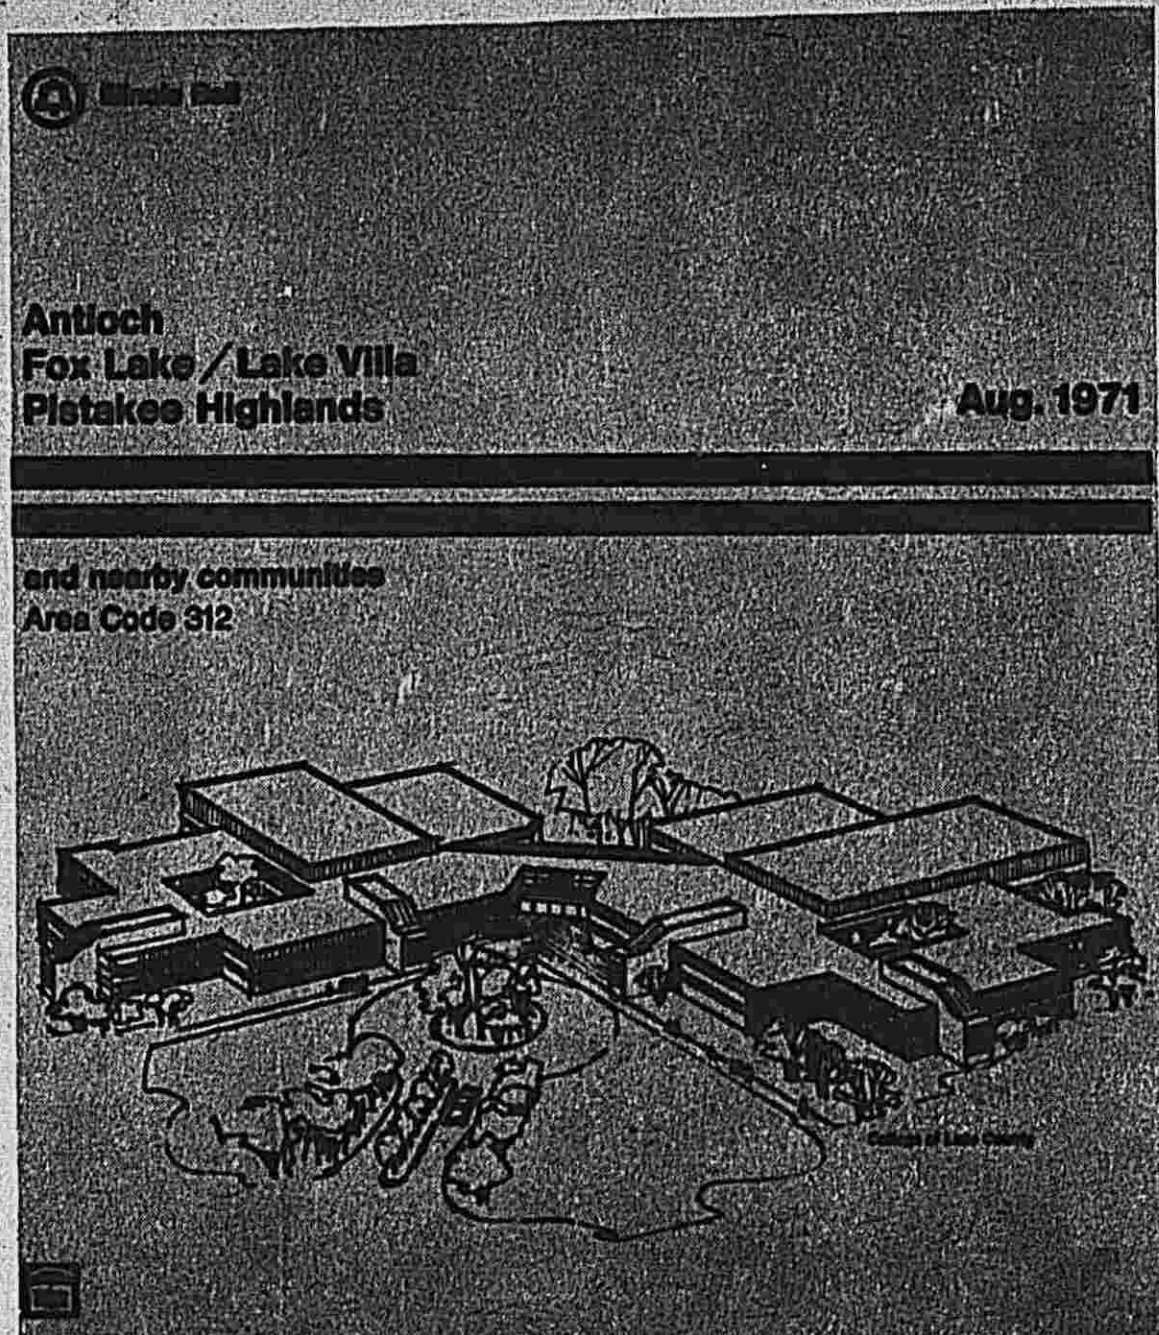

Illinois revenue sharing, Ogilvie explained, is based by law upon a monthly distribution by the Department of Local Government Affairs of one-twelfth of the money the Department of Revenue collected in state income taxes the previous month.

"It seems reasonable at this time," the governor said, "that currently improving business conditions and natural economic growth will bring an upturn in the amount the state will be able to distribute to the local governments during the next 12 months."

"In any case, the money Illinois distributed this past year to its counties and municipalities on a no-strings-attached basis still makes it unique in the nations."

Despite the many pressing problems our counties and cities face, we know they are at least to this extent better off than their sister cities and counties in the other states of the union," the governor concluded.

Antioch's share for the month of June, 1971, was \$2,362.73 bringing the village's share for the current fiscal year to \$21,053.72.

New Phone Book Explained

An artist's sketch of the College of Lake County on the cover of the new telephone directory serving Antioch, Fox Lake, Lake Villa, and Pistakee Highlands is making its appearance in homes and businesses as delivery is made within the next two weeks.

The college, located in Grayslake, offers a variety of curricula leading to employment in business and industry and in the medical and service occupations. It also offers a wide range of programs designed to prepare students to enter four-year colleges and universities at the junior level.

"An emergency number page with local listings for fire and police, the FBI, and tornado warning agencies appears

inside the front cover," said W.O. Messner, manager for Illinois Bell.

"This directory is one of 128 published each year for Illinois Bell customers," Messner said. "Of that number, 59 are in the Chicago suburban area. All of these books represent 11,595,752,000 (billion) pages of listings and special telephone information pages printed annually."

One of the greatest people and places finders, the telephone directory is also a do-it-yourself guide to community knowledge and ways to save money. The format of the book is the same as last year. The front white page section contains only local community listings, while the thicker white section at the back of the book is a regional directory.

Persons distributing the new books will try to pick up the old book at the same time. "We do this for three reasons," Messner said. "First, we find our customers make fewer mistakes in dialing when they have the newest reference book. Old books cause delays in completing a call. The second reason old books are collected is that it helps us make sure that the new books have been delivered to customers. The third reason is that the books can be salvaged. Returned telephone books from throughout the state represent about 5,400 tons of paper. These salvaged books are sent to a paper mill in Wisconsin and recycled into napkins, dollies and other soft paper products. We order special soluble inks for the printing and animal glue for the binding to facilitate the recycling."

"We've been recovering and recycling directories for 40 years, but this year we hope to set an all-time record in our drive to keep all phone books out of waste heaps. Customers who are not at home when telephone directories are delivered, may still contribute to the recycling effort by taking their old telephone books to one of nearly 200 drop-off locations in the Chicago metropolitan area."

The primary collection point for residents in Antioch, Fox Lake, Lake Villa, Pistakee Highlands, and nearby communities is the Illinois Bell business office, 932 Main Street, Antioch.

"Sure I'm tired --- you would be too if you had SIX LEGS!"

Recently Rusty Miller of Rt 4 Antioch caught a six legged frog on Little Silver Lake. Rusty who is going into the 5th grade at Antioch Grade School has made a hobby of "frog catching," but this six legged frog was more than he

planned on.

The frog was so unusual that Rusty's family called the Field Museum in Chicago. The frog is now in the Museum's Library of Research for further study.

Bohn Blitzes To Fair Win

Cool and damp weather at the Kenosha County Speedway in Wilmot Saturday night produced the "hottest" competition of the year as Bill Bohn, Kenosha, won the 1971 Kenosha County Fair Championship Race.

The 30 lap feature race had to be restarted twice and had three different leaders as it followed the pattern of the preliminary races in close running and changing positions throughout. Tom Anderson, Antioch had trouble with his super winged modified as he came off the second turn following the start and his spin caused a crash which sidelined the cars of Butch Bergsma, Richmond, and Bill Strom,

West Allis.

The second restart was necessary when Ray Dropp, Palatine, an alternate starter in the feature, spun and couldn't move out of the groove in the fourth turn.

Eddie Loomis, a frequent fast time qualifier at Wilmot and Jim Boehles, Hales Corners, duelled on the first lap for the lead with Loomis coming out in front. By the 3rd lap however, Boehles had moved around for the lead and set sail using a completely high wide sweeping power broadside through the turns. Bohn moved up to third with Jim Bossman, Waukegan, then Loomis and point leader Johnny Reimer, Caledonia, running in a tight

Tom Jones of Northbrook made it two in a row Sunday night at the Waukegan Speedway as he beat Carl Major of Chicago in a close 30 lap event.

Bob Klemm of Gurnee finally broke the 'ice' and won a hobby feature race. Klemm was directly involved in two big accidents Sunday, one a six car smash-up in the feature where he nearly flipped, but he outlasted the rest of the field for the win.

The hobby feature saw

many cars on the sidelines and several of the cars still running were missing fenders and doors. At the end five cars were left in the infield and another was against the wall. The preliminary races took their toll of the late model cars with point leader Bob May of Gurnee concluding another frustrating weekend as he hit Norm Zenko of Highland Park in the third heat race breaking his rear axle housing. He finished that race in another car, but did not start the feature.

The feature started off at a fast clip with Frank Cabrera of Chicago in the lead at the end of the first two laps. Bob Anzinger of McHenry got past Cabrera in the third lap, but Major passed Anzinger a half lap later for the lead.

Jones took second at that point and raced side by side with Major for two laps before claiming the lead in the 7th lap. Major battered away at Jones' rear bumper for the next 15 laps but could not regain the lead. He was two car lengths back at the finish.

Anzinger and Al Gutche of Bristol had their own private race for third money with Gutche trying very hard to gain the spot, finishing right on Anzinger's bumper. Jim Cossman of Waukegan placed fifth.

Bob Arndt of Milwaukee set a new 8 lap track record in the second hobby heat race, but crashed in the feature.

SULLIVAN BEATS

SCHILL BY INCHES

Jim Sullivan, Fox Lake, won his fifth feature race of the season at the Lake Geneva Raceway on Sunday. He finished only inches ahead of Al Schill of Franksville. Roger Otto, Burlington was third just ahead of Lake Geneva Raceway point leader Whitey Harris, Lake Villa. For Harris the 4th place was a safe spot on the oil slick track and he rode out the distance after point leader Johnny Reimer had spun with only three more laps remaining.

Reimer had been running third and moving up on Al Schill. He wound up 9th in the feature and lost ground in the overall point lead battle to Harris who also leads at Lake Geneva. Ray Dropp, Palatine, led until he spun while leading on the 9th lap.

Heats were won by Dick Aissen, Jim Boehles, Reimer and Otto. Jim Bozeman won the semi-feature after leader Dick Aissen spun while on the last lap.

Jack Ashenbrenner, Hales Corners, scored his second clean sweep of the weekend in sportsman stock car competition as he swept the time trials, heat and the feature. Cal Clark, West Allis, pressured Ashenbrenner in the feature but slower traffic prevented him from a possible win.

Joe Greske, Franklin, won the other sportsman heat race.

Championship Racing

Nears End

With only eight race dates remaining in Wisconsin and two in Illinois, the season for the Interstates Racing Association of super modifieds and sportsman stock cars is too close to an end for defending champion Whitey Harris, Lake Villa, to be strongly optimistic about his chances of overtaking the 161 point lead held by Johnny Reimer, Caledonia.

The manner that Reimer used in catching up, passing and winning over Harris at the Lake Geneva Raceway on Sunday night, didn't help matters either. Harris however had a small engine in his car and may go bigger for the remainder of the season.

His strongest hopes lie in the possible extension of the IRA season in Illinois. The Grundy County Speedway and IRA Officials have been eyeing each other with favorable anticipation and the IRA Supers may start there on the Saturday following the close of racing on the Labor Day weekend in Wisconsin.

We don't know all the answers but you'll find we know most of them. Come in and see.

P,P&K at Lyons - Ryan

Next Friday, August 20 registration will begin for the 1971 Punt, Pass & Kick Competition in the showroom of Lyons-Ryan Ford. In making the announcement, Mr. Ryan, president of the dealership, said: "We're looking forward to a big local PP&K competition in Antioch on Oct. 2. We hope all the boys 8-13 years of age in this area will come in to register and take part."

Harris Records Fastest Time Trial

Dave Madsen, Elk Grove Village, failed to make it a round the third turn as the first heat race ended and his car hurtled over the guard rail and into a high wire fence before it stopped. He was shaken up but recovered to ride on his badly damaged car back to the pits behind the wrecker.

Whitey Harris recorded the fastest time trial of the season in qualifying as he turned the quarter mile dirt in 17.22 seconds for an average of 52.26 mph. He and Wilmot point leader Johnny Reimer, Caledonia, started in the back of the fifth heat race. Ray Dropp spun while leading this race and started a series of collisions that sidelined Reimer and Jr. Dodd, Waukegan, cars. With Harris finishing second in this heat and the feature, he gained 29 championship points on Reimer who now has 555 points to Harris's 439.

Jack Ashenbrenner, Hales Corners, scored another clean

sweep of time trials, heats and the feature as he broke the two in a row streak of point runner-up, Wes Eckert, Greenfield, in the sportsman stock car events. Eckert spun in his heat but came back to finish close behind Ashenbrenner in the feature. Other heat race winners were Lou Mirendorf, Oak Creek and Jim Omelek, West Allis. Mirendorf was the only double winner of the night as he took the semi feature over Denny Jackley, Salem, and Bud Lynn, Milwaukee.

Attendance at the Fair races was 3609, which was nearly 1000 less than at the Fair night last year. Cool weather was blamed for the smallest attendance at Wilmot since the opening night of this season on May 22.

The drivers purse was \$3750.

Save Ball Park Frank Wrappers

Help the Little League by saving wrappers from Ball Park Franks. For 20 Ball Park Frank wrappers the Little League can obtain one aluminum bat free.

Take wrappers to the State Bank or the 1st National Bank of Antioch where collection boxes are located.

This offer expires August 25. For more information call Bernice Page 395-2346 or Ellen Kessler 395-0222.

HOMETOWN NEWS

Airman First Class Richard J. Stroner, son of Mr. and Mrs. Richard Stroner of Rt. 2, Antioch, has arrived for duty at Empire Air Force Station, Mich.

Airman Stroner, a radio equipment repairman, is assigned to a unit of the Aerospace Defense Command which protects the U.S. against hostile aircraft and missiles.

He previously served at Lewistown Air Force Station, Mont.

Airman Stroner attended Antioch Community High School and Fort Lewis College, Durango, Colo. His wife Diana is the daughter of Mr. and Mrs. L. Lindholm of Racine, Wis.

Paul Gauwitz, Rural Route 2 Box 51, Antioch, has been awarded an Outstanding Performance Rating and a Sustained Superior Performance Award for \$250 at Navy Electronics Supply Office, Great Lakes.

Mr. Gauwitz is a Supply Cataloger in the Technical Division there. He works quickly and turns out error-free products. His initiative and adaptability are valuable assets to the Technical Division.

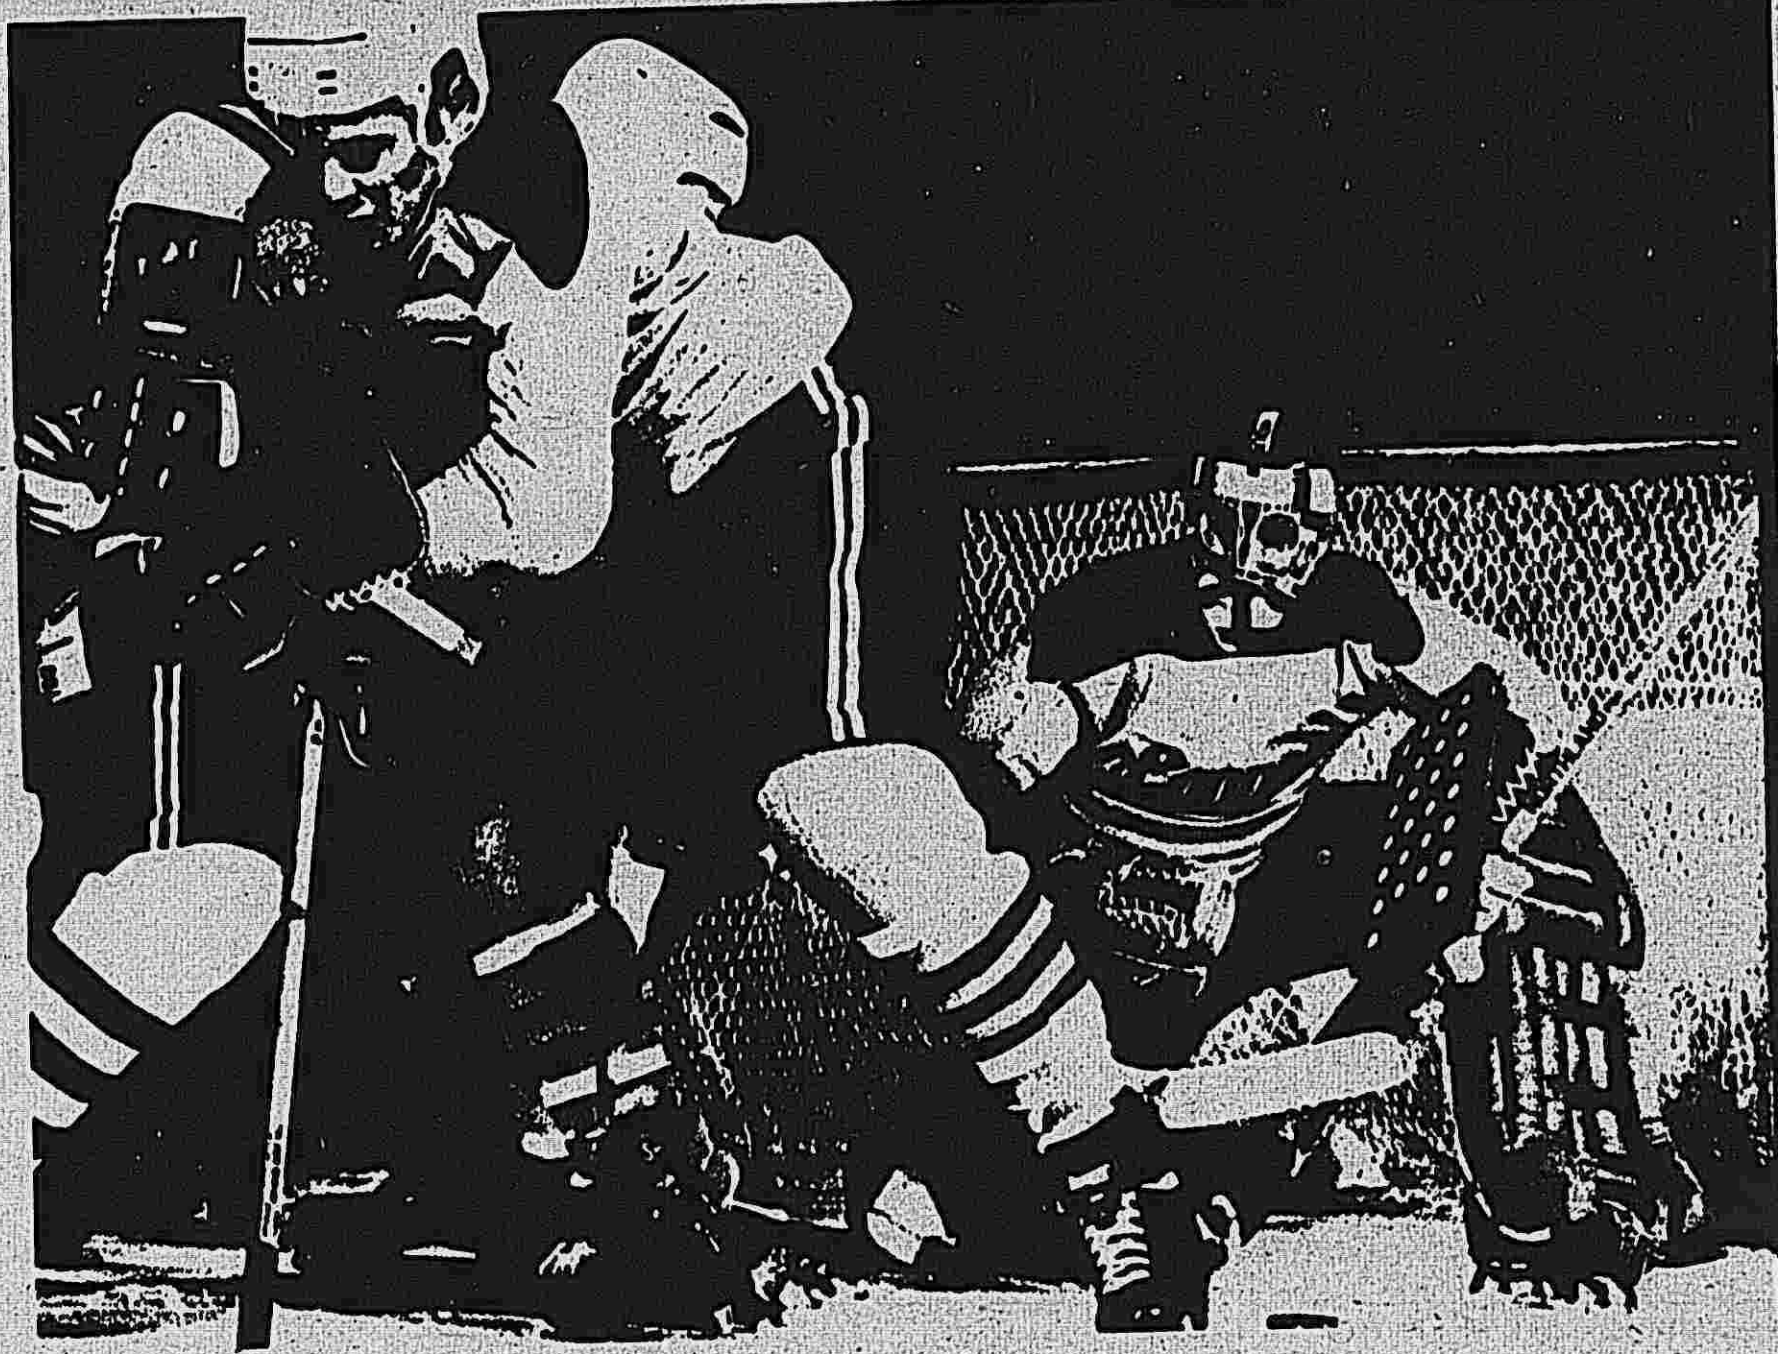

Navy Seaman Sammy R. Barrett, son of Mr. and Mrs. Roy N. Barrett of Route 2, Lake Villa, received the Meritorious Unit Citation while serving aboard the missile test ship USS Observation Island at Pearl Harbor.

He was aboard the Observation Island when the ship was cited for excellence in firing the first Poseidon missile off the coast of Cape Kennedy in December 1969.
